Welcome to the Beavercreek Soccer Association's (BSA) Recreation League. Our goal is to have fun and to teach soccer skills in a healthy atmosphere of good sportsmanship and teamwork.

This is a recreational program that is open to children in the Beavercreek area and neighboring communities, who meet the grade and age guidelines, and **who are not participating in an organized select or club soccer program.**

In order that your child is placed in the most appropriate Division, carefully review the following information before you register. **Soccer players are assigned to Divisions according to grade and gender, not necessarily by school (see chart below).**
