

BEAVERCREEK SOCCER ASSOCIATION (BSA) Coach Commitment Letter

As a Beaver Creek Soccer Association (BSA) Coach, I recognize my responsibility to provide instruction and guidance, which unifies the individual efforts of players and parents into an extraordinary team experience.

To achieve the goal of building a competitive and cohesive team, I promise the following:

Balance the desire to win with the goal of ensuring that all players have the opportunity to play and contribute.

Plan and supervise practice sessions which are fun and instructive.

Prepare for each game by creating a strategy suitable for the competition.

Motivate and teach through positive reinforcement.

Treat players and parents with respect.

Communicate to parents BSA expectations of parent behavior at games toward referees, other team parents, and players on the field.

Observe and apply the rules of the BSA, Miami Valley Youth Soccer Association (MVYSA), Ohio South Youth Soccer Association (OSYSA), and the United States Youth Soccer Association (USYSA).

Emphasize the main two factors of the Program:

FUN and PLAYER DEVELOPMENT!

I have read and understand the above statements and agree to commit myself to the program for the upcoming soccer season. I understand that I serve in this Coaching Position at the convenience of the BSA Celtic Board and, that at any time, the Board can terminate me from the position, if they do not believe that I'm upholding or abiding by the rules of BSA or conduct myself in a manner befitting a youth coach and role model.
