VOLUNTEER COMMITMENT

The BSA Celtic Soccer Club is a volunteer, non-profit organization. Parent/family participation and involvement is critical to the success of the club. Each parent/family is expected to volunteer in some fashion.

- Team: Everyone should have a part in your team. There are plenty of opportunities to help out within your team. The coaches are volunteers and therefore should focus on coaching. There will also need to be a team treasurer, uniform coordinator, tournament coordinator, and team volunteer coordinator.
- Team Volunteer Coordinator: Each team will appoint a Team Volunteer Coordinator at the parent meeting. This person will work with the Club Volunteer Coordinator to assign duties for the Fall/Spring Field Cleanup, the Haunted Classic in October and the Creek Classic in late May or early June.
- Fall/Spring Field Cleanup: This is for yard work, painting and general complex maintenance. Each player's family will be expected to work either once in the fall or once in the spring, on the designated day. Please sign in when working to receive credit for this. You are the ones who keep our complex beautiful.
- Haunted Classic Tournament: The Haunted Classic will be held October 24-25, 2009. This will be the first edition of this tournament and will be directed by the BSA Celtic Club. This tournament differs from the Creek Classic in that the tournament is being sponsored by the BSA Celtic Club rather than the entire BSA organization. Parents are required to work 4 hours during the tournament weekend and funds from this tournament will be used to support club expenses as well as the irrigation system currently being installed at the Ankeney Complex.

- Creek Classic Tournament: The Creek Classic will be held late May or early June 2010. This tournament benefits the entire BSA organization. Entry fee for this tournament is waived, provided volunteer hours are met. Each player's family is required to work 4 hours during the tournament weekend. The Team Volunteer Coordinator will assign the times and duties for your team.
