

**Beavercreek  
Soccer  
Association**

Welcome to the Beavercreek Soccer Association's (BSA) Recreation League. Our goal is to have fun and to teach soccer skills in a healthy atmosphere of good sportsmanship and teamwork.

This is a recreational program that is open to children in the Beavercreek area and neighboring communities, who meet the grade and age guidelines, and **who are not participating in an organized select or club soccer program.**

In order that your child is placed in the most appropriate league, carefully review the following information before you register. **Soccer players are assigned to leagues according to grade and gender, not necessarily by school (see chart below).**

**NEW - STARTING FALL 09**

The Notice provides that at any time, the volunteer might be required to provide a set of impressions of the volunteer's fingerprints, and a criminal records check might be conducted with respect to that volunteer. The law provides this organization the option, but does not require that fingerprinting and background criminal checks be conducted upon such volunteers.
