Coaching notes:

MASKS- Please wear a mask when not actively coaching. I.e. during games.

SPACING- attempt to space your players out as often as possible especially when not in active play.

REFS- Treat them with respect, they are probably someones child who is there to watch them ref.

PLAYERS- should have on a mask when not actively in play. Give them a moment when they first come off the field to catch their breath but during the rest of their time out please have them wear their mask as much as possible.

PICTURES- information coming soon.

GAME PLAY- 2 30 minute halves. I would like to have each team play 10v10 as we have more players on each team but not enough to make an additional team.
