Coaching notes:

DO NOT RUN THE SCORE UP! If your team is ahead by 5 or more AND the other team has not scored please do the following

1. Play down a player/ remove goalie
2. Take shots only from outside the 18, or Left foot only
3. Take the time to practice passing taking no shots move the ball from one end of the field.

Remember this is recreational soccer skill level will vary kid to kid and team to team, it is important that we teach good soccer, and good sportsmanship while having FUN!
