Coaching notes:

MASKS- Please wear a mask when not actively coaching. I.e: during games.

SPACING- attempt to space your players out as often as possible especially when not in active play.

REFS- Treat them with respect, they are probably someones child who is there to watch them ref.

PLAYERS- should have on a mask when not actively in play. Give them a moment when they first come off the field to catch their breath but during the rest of their time out please have them wear their mask as much as possible.

SNACKS'

Parents could hand them out if they wear gloves. **KEEP IT SIMPLE AND SAFE** so that players can enjoy their snacks after a game. **DO NOT CONGREGATE**, just get the snack and depart! If anyone has any additional ideas, please let us ALL know.
